## history

Once a popular ballroom, Hermitage Rd has been THE place to meet and party since the 1930's. The music focus continued into the swinging Sixties when our Hermitage stage welcomed the likes of Eric Clapton, Thin Lizzy, Alvin Stardust, The Searchers and Cream. Today, we are proud to continue to support local talent with live music featuring every week.

Do you have a birthday, wedding, team event or party to plan? Whatever your cause for celebration we have the space, the food, the drink and the know-how.

We've lovingly maintained our original ballroom, maple sprung dance floor, stage, beautiful arched windows and stunning 12-metre zinc roll-top bar ready to welcome up to 140 guests seated or up to 270 guests standing.

In addition, we offer the 'room@thetop', a stylish space for private dining, seated meetings for up to 16 guests, private cocktail parties, chill-out zone or even kids creche.
