COFFEE

The beans we use at hermitage rd are sourced directly from farms around the world in the most sustainable, social & environmental way.

Roasted by Liberty Coffee Co. In London, they have helped us to create our own **house blend** using beans sourced from Guatemala and Rwanda.

Taste profile: smooth milk chocolate with flavours of orange zest and a salted caramel sweet finish. Great with or without milk. Dose: 19g; coffee extraction time: 30 seconds; yield: 34-36g.
