## EAT BETTER ETHOS

All our menus are designed around sustainable British produce, celebrating local suppliers & seasonality. We believe in eating better.

Better for our environment: sourcing as much as possible from local & sustainable producers, so we access fresh produce with a smaller carbon footprint.

Better for our communities: we are proud to be part of the vibrant Hitchin community; supporting local charities, forging lasting relationships with local suppliers & colleges.

Better for us: creating nourishing dishes that pack a punch on taste & never cut corners on quality.
