## OLD WORLD WHITE

When someone uses the term 'Old World' they are referring to wines made in countries that are considered the birthplace of wine, that's Europe and Middle East. They were the pioneers. Our highlights include the stunning La Rocca Soave Classico. The Pieropan family were the first to bottle with the name Soave on the label in the early 1930's.

## NEW WORLD WHITE

In a Parisian hotel 47 years ago, the greatest underdog tale in wine history unfolded. It was a historical blind tasting called "Judgment of Paris", where nine judges, all French, compared the finest French wines against upstarts from California. New World wines won in both red and white categories, beating legendary Chateaux and Domains of Old World. Well, now you be the judge!
